Financial Assurance Requirements:

Pursuant to section 5.8 of the General Terms and Conditions of the Foothills Tariff the successful bidders will be required to provide financial assurances as required by TransCanada.

Bidding and Allocation Procedure:

As outlined in section 4.2 of the Capacity Allocation Procedures for STFT Service, all parties wishing to bid for this available service can do so by completing the STFT Service Agreement and Schedule A. Any bid received is binding subject to the conditions outlined in 4.2.2 of the Capacity Allocation Procedures. The STFT Service Agreement and Schedule A can be seen at this link [Foothills STFT Agreement and Schedule A](#). This link [Foothills Smart Form](#) provides customers with a smart form which helps to complete the STFT schedule of service.

Please note that the minimum bid is 100% of the NEB approved FT rate.

Foothills GST Procedure – For Export STFT Contracts Only

For the purpose of billing GST/HST on export contracts, TransCanada requires Shippers to provide a Declaration which notifies TransCanada that the Shipper's STFT service is intended to serve an export market and should be charged 0% GST/HST, including any potential Unutilized

Demand Charges (UDC). Shippers who wish to be charged 0% GST/HST on their STFT service and any potential UDC's must execute a Declaration. **To do this, the Shipper is requested to execute and return the STFT Declaration attached to the bid form prior to the effective date for each STFT contract entered into.** If the STFT service is not for export and should be charged GST/HST please disregard the Declaration attached to the bid form.
