

TransCanada BC System, Capacity Update

The Alberta/BC (ALTBC) border receipt capability will be reduced until further notice to 60.0 E6m3/d (2118 MMcf/d) effective 08:00 MST July 12, 2007. This is to reflect current system ambient and performance conditions.

For more information, please contact The Pipe Line at (403) 920-PIPE or toll-free 1-877-920-7473.
