Dear Ms. Bélanger:

**Foothills Pipe Lines Ltd. (Foothills)  
Statement of Rates and Charges effective 1 January 2006 and Amendments to the  
Foothills Gas Transportation Tariff – Phase 1 (Tariff) and Subsidiary Companies  
Tariffs of Foothills Pipe Lines (Alta) Ltd., Foothills Pipe Lines (Sask) Ltd. and  
Foothills Pipe Lines (South B.C.) Ltd. (collectively, Subsidiary Companies Tariffs)**

The Board received an application from Foothills on 1 December 2005 for approval of rates and charges for transportation service on Foothills' Zones 6, 7, 8 and 9 and amendments to the Tariff and Subsidiary Companies Tariffs. The Board notes that Foothills provided interested parties a copy of the proposed: amended Tariff; amended Subsidiary Companies Tariffs; and the rates and charges effective 1 January 2006 along with the supporting schedules. Further, the Board acknowledged that the proposed increase in Foothills' deemed equity ratio is supported by the Canadian Association of Petroleum Producers.

Prior to issuing a decision, the Board sought comments from interested parties on the Application and process due by noon Calgary time on 15 December 2005. No comments were received.

The Board, therefore, directs the 1 December 2005 applied for rates and charges and amendments to the Tariff and Subsidiary Companies Tariffs for Foothills be made final effective 1 January 2006.

Foothills is directed to serve a copy of this letter on all of its shippers and interested parties.

Yours truly,

Michel L. Mantha  
Secretary
