Dear Ms. Bélanger:

**Foothills Pipe Lines Ltd. (Foothills)
Amendments to the Foothills Gas Transportation Tariff – Phase I (Tariff) and
Subsidiary Companies Tariffs of Foothills Pipe Lines Ltd (Alta) Ltd., Foothills Pipe
Lines (Sask) Ltd. And Foothills Pipe Lines (South B.C.) Ltd. (collectively,
Subsidiary Companies Tariffs)**

On 27 February 2006, Foothills filed an application with the National Energy Board requesting approval of amendments to the Tariff and Subsidiary Companies Tariffs to implement a conversion of contracts from units of volume to units of energy; to cause contract quantities to be expressed as amounts to be delivered; and to consolidate the appendices of service agreements effective 1 June 2006.

By letter dated 8 March 2006, the Board sought comments on Foothills' application. Given that no comments were received, Foothills, in a letter dated 17 March 2006, recommended that the Board approve the application as filed.

The Board has decided to approve the proposed amendments to the Tariff and Subsidiary Companies Tariff effective 1 June 2006. Foothills is directed to serve forthwith a copy of this letter on all of its shippers and interested parties to TG-6-81.

Yours truly,

Michel L. Mantha
Secretary
