

TransCanada's Alberta System Delivery Availability Map as of May 14, 2012

Note: The areas identified on this map are either Nearly or Fully Contracted (see definitions below). This information is a snap shot as of May 14, 2012 and is subject to change. Please contact your Customer Account Manager for clarification or additional information.

Approaching Contract Capacity*	Contracts are greater than 95% of the area or facility capability. It is recommended that Firm Transfers or New Firm Contracts be confirmed with TCPL Customer Sales.
Fully Contracted**	Area is contracted to 100% of its capability. Firm Transfers allowed within restricted area; upstream at 1 to 1 ratio and downstream at determined hydraulic equivalence. New Firm Contracts are held in queue until service is available.
