

## Donald (Don) M. Wishart

Executive Vice-President, Operations and Major Projects

As Executive Vice-President, Operations and Major Projects, Don Wishart is responsible for the full range of services required to design, build, operate and maintain all facilities and infrastructure at TransCanada. These responsibilities include engineering and technical services; project management; construction; field operations; community, safety and environment; and procurement and shared services.

Mr. Wishart has more than 30 years of experience in the areas of business development, project management, operations and environmental services in both international and North American settings.

He joined TransCanada International in the spring of 1997 and held the positions of Senior Vice-President, Project Development and Senior Vice-President, Field Operations.

Mr. Wishart holds Master of Science and Bachelor of Science degrees from the University of Alberta. He is also a certified member of the Institute of Corporate Directors, Calgary Chapter Executive of the Institute of Corporate Directors and participates in a number of public and private Boards.

With more than 50 years' experience, TransCanada is a leader in the responsible development and reliable operation of North American energy infrastructure including natural gas pipelines, power generation, gas storage facilities, and projects related to oil pipelines. TransCanada's network of wholly owned pipelines extends more than 59,000 kilometres (36,500 miles), tapping into virtually all major gas supply basins in North America. TransCanada is one of the continent's largest providers of gas storage and related services with approximately 370 billion cubic feet of storage capacity. A growing independent power producer, TransCanada owns, or has interests in, over 11,800 megawatts of power generation in Canada and the United States. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. For more information visit: [www.transcanada.com](http://www.transcanada.com)
