

Russell K. Girling

Chief Operating Officer

Russ Girling is Chief Operating Officer (COO). He is responsible for overseeing TransCanada Corporation's Pipeline and Energy businesses, corporate development activities and strategies, operations and major projects, and corporate services.

In addition to serving as COO, Mr. Girling continues in his role as President, Pipelines of TransCanada Corporation, where he has overall responsibility for TransCanada Corporation's regulated businesses, including gas and oil pipelines in Canada the U.S. and Mexico. In this role, he stewarded TransCanada's \$4 billion acquisition of the ANR/Great Lakes Pipeline systems and TransCanada's \$12.2 billion crude oil pipeline development from Alberta to the U.S. Gulf Coast.

Mr. Girling was previously Executive Vice-President, Corporate Development and Chief Financial Officer of TransCanada. He had overall responsibility for finance, accounting, treasury, taxation, risk management, corporate strategy, corporate development, investor relations and project evaluation. Through 2001, he was also President of TransCanada Gas Services and was responsible for its ultimate disposition.

In 1995 Mr. Girling was appointed Executive Vice-President, Power where he had overall responsibility for the creation and management of the TransCanada subsidiary, TransCanada Power, including the creation of TransCanada Power, L.P. Prior to joining TransCanada in 1994, Mr. Girling held several marketing and management positions at Suncor Inc., Northridge Petroleum Marketing and Dome Petroleum.

Mr. Girling is currently a Director of Agrium Inc. He is the former Chairman and Chief Executive Officer of TC PipeLines, GP Inc (general partner of TC PipeLines, LP). Mr. Girling is also the former Chairman of TransCanada Power, L.P. and a former Director of Bruce Power Inc.

Mr. Girling is a Director of the Willow Park Charity Golf Classic and was a member of the 2009 United Way of Calgary and Area Cabinet and continues as a member in 2010. Mr. Girling is a 1998/1999 recipient of Canada's Top 40 Under 40 Award for leadership excellence for Canadians under the age of 40. In 2008 he was the recipient of the Haskayne School of Business Management Alumni Excellence (MAX) Award.

Mr. Girling holds a Bachelor of Commerce degree and a Master of Business Administration in Finance from the University of Calgary.

With more than 50 years' experience, TransCanada is a leader in the responsible development and reliable operation of North American energy infrastructure including natural gas pipelines, power generation, gas storage facilities, and projects related to oil pipelines. TransCanada's network of wholly owned pipelines extends more than 59,000 kilometres (36,500 miles), tapping into virtually all major gas supply basins in North America. TransCanada is one of the continent's largest providers of gas storage and related services with approximately 370 billion cubic feet of storage capacity. A growing independent power producer, TransCanada owns, or has interests in, over 11,800 megawatts of power generation in Canada and the United States. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. For more information visit: www.transcanada.com
