

Donald (Don) R. Marchand

Executive Vice President and Chief Financial Officer

As Executive Vice-President and Chief Financial Officer, Don Marchand is responsible for financial reporting, taxation, finance, treasury, risk management and investor relations for TransCanada Corporation.

He was named Chief Financial Officer in July 2010 and, prior to his appointment as CFO, he was Vice-President, Finance and Treasurer overseeing the company's finance, treasury, trading and financial risk and pension asset management functions.

Since joining the company in 1994, Mr. Marchand has held a variety of progressively more senior roles with the organization and was appointed Vice-President, Finance and Treasurer in September 1999.

Prior to coming to TransCanada, Mr. Marchand worked at Trizec Corporation Ltd. in a number of accounting and treasury roles as well as at Clarkson Gordon, a predecessor firm to Ernst & Young.

Mr. Marchand is a member of the Calgary Society of Financial Analysts and the Institute of Chartered Accountants of Alberta.

Mr. Marchand holds a Bachelor of Commerce degree with honours from the University of Manitoba. He earned his Chartered Accountant designation in 1988 and became a Chartered Financial Analyst in 1994.

With more than 65 years' experience, TransCanada is a leader in the [responsible development](#) and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TransCanada operates one of the largest natural gas transmission networks that extends more than 91,900 kilometres (57,100 miles), tapping into virtually all major gas supply basins in North America. TransCanada is a leading provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TransCanada currently owns or has interests in approximately 6,100 megawatts of power generation in Canada and the United States. TransCanada is also the developer and operator of one of North America's leading liquids pipeline systems that extends approximately 4,900 kilometres (3,000 miles), connecting growing continental oil supplies to key markets and refineries. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP.
